

# Shayaan Zulfiqar

## Freelancer

As a Freelancer i have the freedom to indulge in as many activities/interests, my recent interest was developed in stock trading , Digital Marketing, E-commerce.

## Experience

**Digital Marketing** Jan 2020 – Jan 2024  
Limestone Constructions & Limelight Marketing

I offered services for digital marketing the moment i finished learning the skill. I create daily engaging posts for Limestone Construction and Limelight Marketing a very well-known real-estate company. since my employment contract, I have been earning a constant salary of 40,000Pkr/month.

**Stock Trading** Jan 2021– Dec 2024  
Binance & Bybit

Binance and Bybit are the only exchanges I have developed a trust wallet in. I have been actively analyzing the stock market and predicted the price value of an entity with 80% success rate. Portfolio is not constant but averaging to 25,000Pkr/month.

**E-commerce** Jan 2022 – Dec 2024  
Gamer2Gamer & Shopify

I started selling gaming account services on various websites, communicating with players around the world and meeting their needs. The Shopify store is led by me and my team, it offers variety of products all over Pakistan
